

# Chiropractic Rehabilitation that WORKS!

**Register Today!**

1-888-774-6258

## Looking for Rehab Answers for your Patients?

If you haven't taken a Pettibon Class from the Pettibon Institute in a while, you're missing out!

Newly updated for 2010 this seminar teaches you how to use Pettibon Rehab with your patients while also supporting them with adjustments.

Integrated instruction and hands-on covers:

- Postural & Phasic Muscles
- Posture Patterns
- Understanding Pain
- Stretching & Traction Procedures
- Rehabilitation Procedures
- Nutrition
- And more...

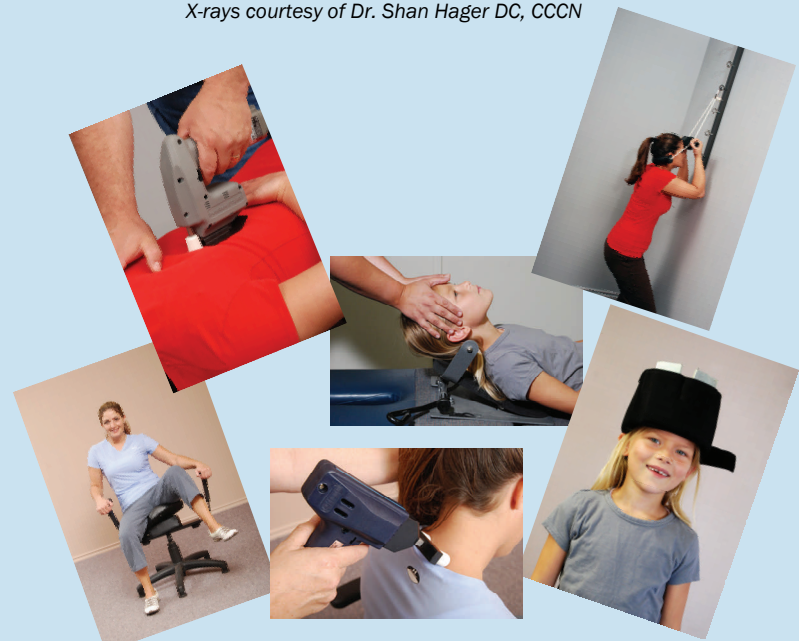

Before

After

## March 27-28, 2010

Saturday 12:00pm-7:00pm

Sunday 8:00am-2:00 pm

### Training Location:

**Advanced Spinal Rehab Center**

1331 118th Ave SE, Suite 200  
Bellevue, WA 98005

(425) 455-4038

**Instructor: Dr. Shan Hager, DC, CCCN**

**(Co-Instructor: Dr. Scot Sorum, DC)**

**New in 2010**—To be listed on the [www.PettibonSystem.com/doctors](http://www.PettibonSystem.com/doctors), doctors must have completed the 3 online courses, Rehab that Works and Practicum live seminars within the past 2 years and meet some minimum requirements.

**Pettibon Certification for Chiropractors** requires all courses completed, marked X-ray reviewed, 4-day Certification Seminar completion along with some additional requirements.

**Advanced Pettibon Certification** includes the above along with the Specialties of Team Training, Pediatrics and Scoliosis I & II completion. Those currently listed on the website have until July, 2010 to meet these minimums before being removed. More details coming soon.
