Looking for Rehab Answers for your Patients?

If you haven't taken a Pettibon Class from the Pettibon Institute in a while, you're missing out!

Newly updated for 2010 this seminar teaches you how to use Pettibon Rehab with your patients while also supporting them with adjustments. Must have completed The Pettibon Institute online courses prior to attending.

Integrated instruction and hands-on covers:

- Postural & Phasic Muscles
- Posture Patterns
- Understanding Pain
- Stretching & Traction Procedures
- Rehabilitation Procedures
- Nutrition
- And more...

*"I have been doing Pettibon for about 7 years now. " ...
"I thought it was the "basics" type seminar. While you did cover the basics, you delivered the best Pettibon seminar I have ever been to!!! Thanks for doing so much for all of us moving forward in patient care."*

- Dr. Wayne Greathouse, DC

Instructor: Dr. Ryan Doyle, DC

New in 2010—To be listed on the www.PettibonSystem.com/doctors, doctors must have completed the 3 online courses, Rehab that Works and Practicum live seminars within the past 2 years and meet some minimum requirements.

Pettibon Certification for Chiropractors requires all courses completed, marked X-ray reviewed, 4-day Certification Seminar completion along with some additional requirements.

Advanced Pettibon Certification includes the above along with the Specialties of Team Training, Pediatrics and Scoliosis I & II completion. Those currently listed on the website have until July, 2010 to meet these minimums before being removed.
