

# Scoliosis II—Advanced The Pettibon System

**Register Today!**

**1-888-774-6258**

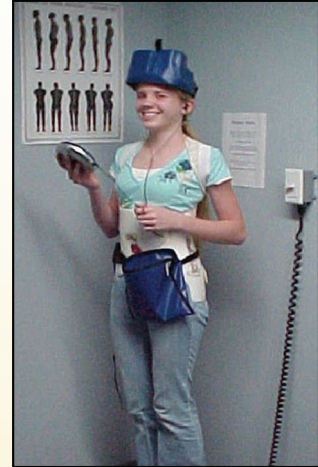

## The Runaway Train

Scoliosis Advanced teaches how to manage Scoliosis patients and their families. The focus is on patients with more than a 30° Cobb angle.

*Interdisciplinary communication is vital to managing moderate to severe scoliosis..*

## What you will Learn in this Specialty Seminar:

- What happened to the little curve?
- Review of current surgical techniques
- Breathing corrections
- Bracing concepts
- PSRT for scoliosis
- Kinesio taping
- Home care and long term management
