New in 2010—To be listed on the www.PettibonSystem.com/doctors, doctors must have completed the 3 online courses, Rehab that Works and Practicum live seminars within the past 2 years and meet some minimum requirements.

Pettibon Certification for Chiropractors requires all courses completed, marked X-rays reviewed, along with some additional requirements.

Advanced Pettibon Certification includes the above along with 4-day Certification, the Specialties of Team Training, Pediatrics and Scoliosis I & II completion.

Those currently listed on the website have until July, 2010 to meet these minimums before being removed.
